Hi Gary,

Attached is a copy a briefing sheet that combines CAMD's and Region 7's previous efforts. There is one piece missing which is highlighted at the bottom of page 1. I should have that piece in the next hour but did not want to delay your review any further.

Pls take and look and give me or Becky a call once you have had a chance to review.

We envision leading off the presentation and ensuring time for all to contribute.

Thanks for coordinating with us on this.

Regards,

Josh
